Civil Case No. 4:14-cv-11191

New York State Teachers' Retirement System (Plaintiff)

VS

General Motors Company (Defendants)

Honorable Linda V. Parker,

This case is another frivolous lawsuit. So many businesses are moving out of the United States or going bankrupt. They are getting caught between frivolous lawsuits OR paying out legal blackmail to settle the case.

The people of the United States need businesses and employers more than they need a few unscrupulous lawyers.

I am hopeful that you will dismiss this case, as General Motors Company has already settled the ignition switch lawsuit with the owners of involved vehicles.

Yours truly,
Jack Orava

THIS LAWSUIT IS NOT A BENEFIT TO ANYONE
EXCEPT THE LAWYERS. A RIEVE OFF OF \$21,000,000.

THIS IS A "TRAVESTY OF JUSTICE".
